ST. ALBANS TAE KWON DO

www.stalbanstaekwondo.com

The following are terms and conditions that everyone MUST abide by and follow. If a member declines, we cannot offer membership to them. Please ensure you understand these terms, as breaking them will mean removal from our clubs. Please file this form for future reference.

- All members pay a low tuition charge for unlimited classes - they MUST pay by standing order or BACS 12 times a year by the 7th of every month at the latest, or tuition will stop. Tuition is used to run our clubs, purchase new equipment, employ our Coaches and cover the cost of uniforms for all new recruits. Coaches only get expenses covered when the club can afford it.
- Tuition MUST be paid even when the clubs are closed for recess, which is four weeks a year.
- Due to popularity of the classes, please email ltsihq@sky.com if you are leaving us so we may give your place to those looking to join our group.
- All members MUST take exams to continue their transition to Black Belt.
- Exam fees must be paid at least seven days before the exam takes place (cash only please in an envelope).
- All members are encouraged to attend tournaments and courses, as these are subsidised by us.
- The uniform we provide is free, but members MUST keep these clean.
- All members MUST buy sparring equipment sold by us, once they reach yellow belt.
- All members must compete in two tournaments before taking the Black Belt grading.
- We host events to encourage social interaction between all members / supporters / families

Senior Rules (2nd Kup and above)

- Upon gaining red belt, all members must apply for I.T.F. membership at a cost of \$30 for three years
